

How to Search for Available Properties

Find a Property:

The “Find Properties” menu allows you to search for available properties and view maps associated with the property. Each tract of land available for licensing is identified by a Recreational License Unit (RLU) number. Hunting clubs are allowed to License as many RLUs as they like.

Land available for licensing is listed geographically by state and county. If your preferred county is not listed, then we do not currently have any property available for hunting in that county.

A search form with three dropdown menus and a button. The first dropdown is labeled 'State' and has 'Select' in the box. The second dropdown is labeled 'County' and has 'Select' in the box. The third dropdown is labeled 'RLU' and has 'Select' in the box. Below the dropdowns is a green button with the text 'Show Property List'.
